

Sandton IJsselhotel

On the banks of the IJssel river you will find one of the most striking hotels in our country, Sandton IJsselhotel. This beautiful hotel is housed in a 19th century national monument and offers a panoramic view of the Hanseatic city of Deventer. The luxurious 4-star hotel has 29 rooms, 4 meeting rooms, meeting suites and a modern restaurant.

Meetings & Events

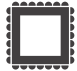

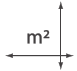

A meeting in the IJsselhotel is special and slightly different. The meeting rooms of the hotel offers a beautiful view of the river. All rooms are of course equipped with modern audio-visual facilities. Our employees welcome you and make your meeting a success.

Activities

A short break during your meeting? The Sandton IJsselhotel is located between the IJssel river and the Worpplantsoen, the ideal place to stretch your legs. If you have the time, take the ferry and explore the historic centre with a guide. Or view Deventer from the sky! We are happy to organize a sightseeing flight from Airport Teuge for your group.
