

Hotel De Roskam

Sandton Hotel De Roskam is located in the Veluwe region, at the foot of the Posbank hill. The Posbank is frequently described as one of the most beautiful places in the Netherlands. This is hardly surprising: the Veluwezoom is our country's oldest nature reserve. The hotel is easy to reach by car as well as by public transport. Cars can be parked at the hotel's dedicated car park at no charge.

Meetings & Events

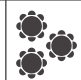

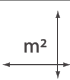

Sandton Hotel De Roskam has 13 multifunctional conference rooms for groups of all sizes. Four of these rooms can easily be transformed into one large space to accommodate 300 people in a theatre set-up. It goes without saying that all rooms have plenty of daylight and are equipped with air-conditioning and modern conference facilities. The hotel is the perfect venue for all your business meetings as well as festive gatherings.

Activities

The Veluwezoom nature reserve is located literally in the hotel's backyard. Ideal for a short stroll during your break. The park offers a wide range of facilities for outdoor activity. How about spending an hour riding a mountain bike, or taking a hike across the Posbank with a forest ranger as your guide, or enjoying a tour of the Netherlands' one and only walled vineyard? All this is possible!
